Summary

Aspiring Java Full-Stack Developer with strong knowledge of Data Structures and Object-Oriented Programming. Skilled in Java, front-end technologies, and database management, with a passion for building efficient and user-friendly applications. Eager to learn, grow, and contribute effectively in a dynamic organization.

Education

Bachelor of Technology (B.Tech) in CSE Galgotias University, Greater Noida	CGPA: 7.97 Oct'23 – June'27
Senior Secondary (Class 12) Darshan Shah College	Percentage: 75 May 2023
Secondary (Class 10) Children's Happy Home	Percentage: 60 April 2021

Technical Skills

Programming: Java
Core CS: Data Structures & Algorithms, OOPs, DBMS
Web: HTML, CSS, JavaScript
Databases: MySQL
Tools: Git, GitHub, VS Code
Soft Skills: Teamwork, Problem-Solving, Leadership

Projects

AgriHarvest Website — HTML, CSS, JavaScript • Developed a responsive agricultural information platform to help farmers access crop details, market trends, and best farming practices. • Implemented a clean user interface UI with optimized layouts for smooth navigation across desktop and mobile devices. • Integrated dynamic features such as crop search, product listings, and feedback form to enhance user engagement and accessibility.	(Nov 2025 – Jan2026)
Online Voting System — JAVA, JDBC • Developed a secure desktop-based voting application with user authentication, vote validation, and real-time result tracking using Java and Swing. • Integrated MySQL with JDBC to ensure reliable data storage, enforce one-user-one-vote functionality, and maintain data integrity. • Implemented validation and authentication mechanisms to prevent duplicate voting, demonstrating strong understanding of OOP and database connectivity concepts.	(Oct 2024 – Dec2024)

Internships

Virtual Internship – Java Development • Learned core Java and object-oriented programming concepts. • Gained exposure to backend development fundamentals and workflows. • Strengthened problem-solving skills through practical virtual tasks.	(Oct 2025 – Dec2026)
---	----------------------

Certificates

• MySQL — ORACLE	2024
• Google Cloud Arcade — Google	2025

Achievements

- Secured a position in the Top 100 in the Smart India Hackathon (SIH) Pre-Qualifier Round 2024.
- Solved 320+ coding problems across multiple platforms, strengthening proficiency in Data Structures, Algorithms, and problem-solving techniques.
